

## Project Management System inside existing Admin Panel

All the system lies in this admin panel.

The screenshot shows the 'Edit Home Page' interface within the Mecarvi Signs Admin Panel. The sidebar on the left lists various sections: Dashboard, Home Page (highlighted with a pink arrow), CMS, About Us, Products, Services, FAQ, Contact us, Careers, Footer, Projects, Task, Clients, and Leads. The main content area displays the 'Home Page' with tabs for Hero, About, Explore, Services, What We Do, Why Choose Us, Our Facts, Portfolio, Reviews, and Quote. Below these tabs, the 'Edit Home Page' form has fields for Title (Welcome to Our Mecarvi Signs), Button Text (Discover), and Button URL (https://testfrontend.mecarvisigns.co). The Description field contains the text: 'Wanna know more about out us please have a look below and explore us more'. There is also a 'Background Image' section with a 'Choose File' button and a placeholder 'No file chosen'. A small image of a laptop is shown. A 'Save' button is at the bottom right. At the bottom left of the sidebar, there is a red button with '0 Issue' and a red 'X'.

## 1st milestone: module 1

Projects, task, clients, invoice, estimate, leads, support tickets, file manager, (admin, user, employee)

### Projects

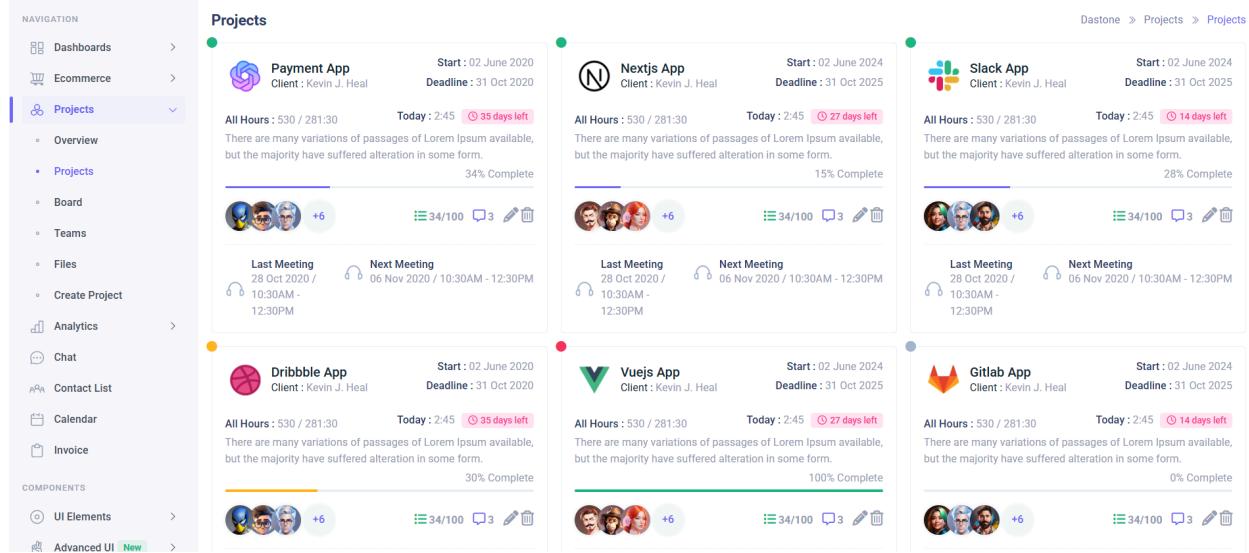

- Create Project
- Edit Project
- Project Details
- Project List
- Project Kanban
- Project Dashboard
- List all Projects
- Delete project

### Kanban / Tasks

- Create task
- Edit task
- Delete task
- Drag & drop task between columns
- Task status updates based on column

UI inside the admin panel is according to this

<https://mannatthemes.com/dastone-bs5/default/projects-projects.html>

The screenshot displays the 'Projects' section of the Dastone admin panel. The left sidebar features a navigation menu with 'Projects' highlighted. The main content area shows a grid of project cards. Each card contains the following information:

- Payment App**: Client: Kevin J. Heal, Start: 02 June 2020, Deadline: 31 Oct 2020, Progress: 34% Complete.
- Nextjs App**: Client: Kevin J. Heal, Start: 02 June 2024, Deadline: 31 Oct 2025, Progress: 15% Complete.
- Slack App**: Client: Kevin J. Heal, Start: 02 June 2024, Deadline: 31 Oct 2025, Progress: 28% Complete.
- Dribbble App**: Client: Kevin J. Heal, Start: 02 June 2020, Deadline: 31 Oct 2020, Progress: 30% Complete.
- Vuejs App**: Client: Kevin J. Heal, Start: 02 June 2024, Deadline: 31 Oct 2025, Progress: 100% Complete.
- Gitlab App**: Client: Kevin J. Heal, Start: 02 June 2024, Deadline: 31 Oct 2025, Progress: 0% Complete.

Each card also includes sections for 'Last Meeting' and 'Next Meeting' with specific dates and times.

Fields to **create new project** is according to this

<https://templates.envytheme.com/fila/create-project.html>

The screenshot shows the 'Create Project' form. It includes fields for Project Name, Project ID, Start Date, End Date, Description (with rich text editor), Attached Files, Budget, and Priority Status. There is also a large blue circular button with a gear icon.

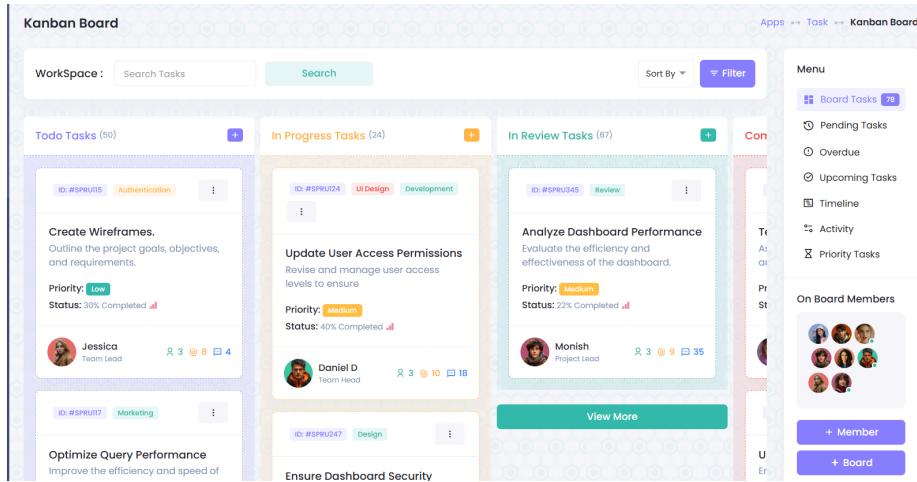

The screenshot shows the 'Create Project' form within the Fila application. It includes fields for Start Date, End Date, Description (rich text editor), Attached Files, Budget, Categories, Team Members (highlighted with a pink arrow and note), Add Team Member (crossed out), Project Tags (crossed out), and Create Project/Cancel buttons. A note on the right side of the 'Team Members' field states: "must be able to select multiple team members not just one member, so drop down style wont work for this".

remove these two fields in the bottom. also make sure team member spot i am able to select multiple members per project

## Kanban Board

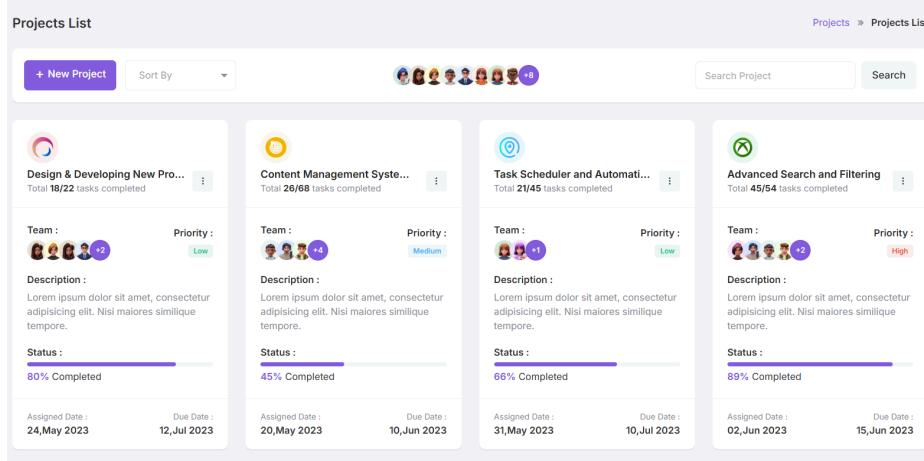

<https://angular.spruko.com/rixzo/preview/apps/task/kanban-board>

The Kanban Board interface features a header with 'WorkSpace' and a search bar. Below are three main columns: 'Todo Tasks' (50), 'In Progress Tasks' (24), and 'In Review Tasks' (67). Each column has a 'View More' button. To the right is a 'Menu' section with links for 'Board Tasks' (78), 'Pending Tasks', 'Overdue', 'Upcoming Tasks', 'Timeline', 'Activity', and 'Priority Tasks'. A 'On Board Members' section shows profile icons and buttons for '+ Member' and '+ Board'.

## Project List

<https://preview.sprukomarket.com/blazor/webapp/server/bootstrap/ynex/dist/html/projects-list>

The Project List interface shows four projects: 1. 'Design & Developing New Pro...' (Total 18/22 tasks completed) with a team of 5, priority Low, and 80% completed. 2. 'Content Management Syste...' (Total 26/68 tasks completed) with a team of 4, priority Medium, and 45% completed. 3. 'Task Scheduler and Automati...' (Total 21/45 tasks completed) with a team of 1, priority Low, and 66% completed. 4. 'Advanced Search and Filtering' (Total 45/54 tasks completed) with a team of 2, priority High, and 89% completed. Each card also displays assigned and due dates.

here is the 3 links the section that i mark red is what you are adding to the file manage page

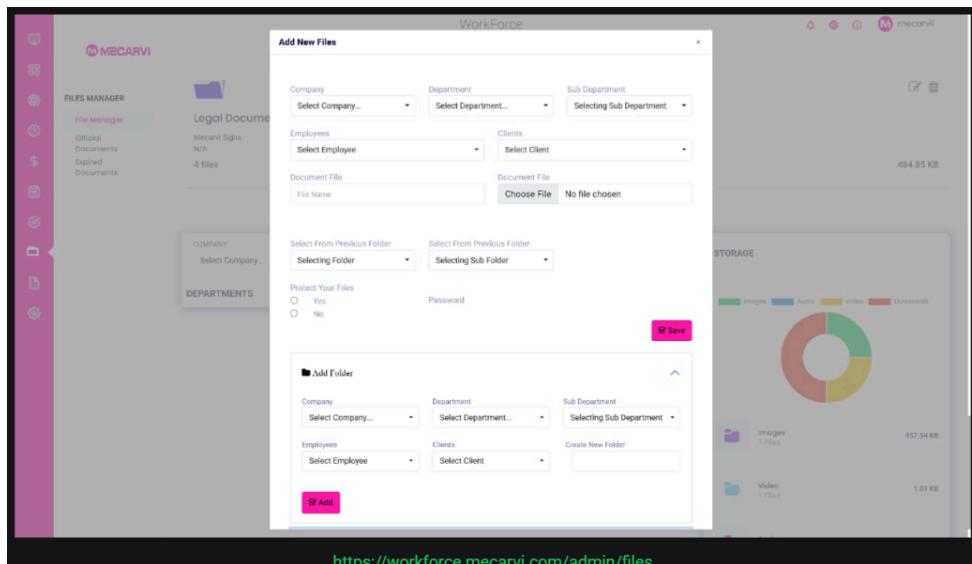

<https://preview.sprukomarket.com/html/bootstrap/myron/dist/html/file-manager.html>

<https://angular.spruko.com/rixzo/preview/pages/filemanager>

<https://preview.sprukomarket.com/html/bootstrap/zynix/dist/html/file-manager.html>

here is the front end design for file manager. please make dynamic in backend, so we can upload files into the folders for storage. we must be able to set a password for certain folders so no one can access

### Add Files Page

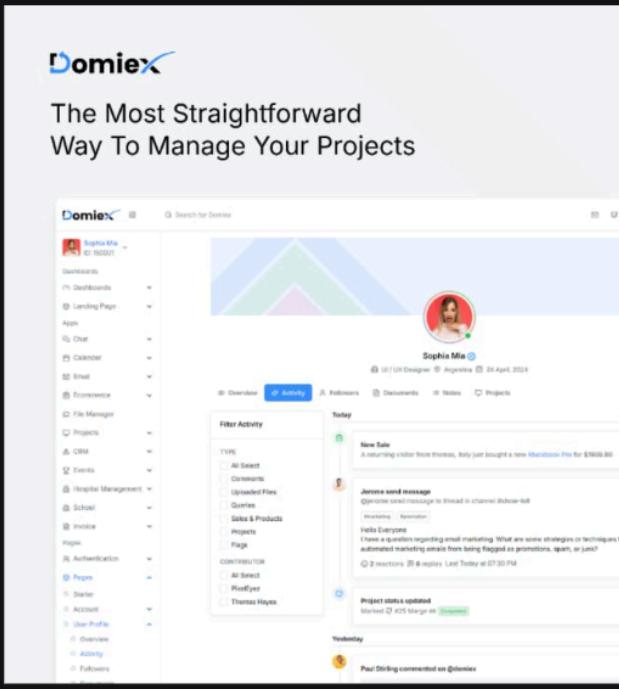

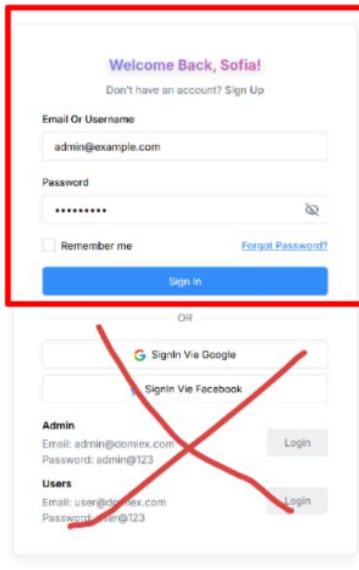

<https://workforce.mecarvi.com/admin/files>

this is add files page..

**Login: mecarvii and PW: 12345678**

so the file manage module only have 2 pages.

## Login Details

The screenshot shows the Domiex project management software. On the left is the user dashboard with a sidebar containing various project and system management options like Dashboards, Landing Page, Chat, Calendar, Email, Economics, File Manager, Projects, CRM, Events, Hospital Management, School, Invite, Pages, Authentication, Pages, Starter, Account, User Profile, Overview, Activity, and Followers. The main area displays an activity feed for a user named Sophia Mia, including posts like 'New Sale', 'Jenova send message', and 'Project status updated'. On the right is the login page with fields for 'Email Or Username' (admin@example.com), 'Password' (redacted), and 'Remember me'. Below the login button is a 'Forgot Password?' link. A secondary section below the main form shows 'Admin' and 'User' login credentials, both of which are crossed out with a large red X.
